Subject:- Compassionate Allowance.

Respected Sir,

I, the undersigned, Shrimati Durgabai W/o Dattatraya Ramkrishna Garde, Humbly beg to approach Your grace with the following plea with the ardent expectation that my prayer will not be in vain.

On 31-8-1950 my husband Shri. Dattatraya Ramkrishna Garde died of heart-failure. He was on duty then as officiating Head Clerk in your Honour's Office, and I hear that he had still 3 years of service left to earn his pension. He had also 3 years' earned leave to his credit which he could have enjoyed even prior to his pension.

God's will being otherwise, he has been taken away from the family, leaving us all in indigent circumstances. Fortunately he had built a house which given us shelter now. But he had to take loans from Banks to the extent of Rs. 1,300/- in order to build the house; besides he had also to take loans from other persons amounting to about Rs. 1,100/-, which he was forced to take to make both ends meet, as he could not pull on with the pay he got, and thus we have to pay off the debt to the tune of Rs. 2,400/-.

Further, as stated above, as my husband could not maintain the family members, he had to stop his oldest son's education; and my eldest son had to go to Kolhapur about 3 years back, where he started a cycle hire shop, for which he has raised a loan for purchasing cycles to the extent of about Rs.2,600/-.

We are forced to let out some portion of our house at Belgaum, even at some inconvenience, just to get some rent at least to help us. Beyond this, there is no other source of income at all.

I have four sons and two daughters to look to now, and their ages are between 17 to 10, and are not in a position to help me at all. My eldest son, who has been running a cycle hire shop at Kolhapur, can hardly maintain himself with what he earns. The other children are all minors, and the elder of the two daughters has reached the marriage stage according to our family custom.

From what is stated above, it will be seen that we nave to pay off a total debt to the tune of about Rs. 5,000/- (Rupees 2400 raised by my husband and Rs. 2600 raised by my eldest son). We have very recently Rs. 5,740/- the amount of my husband's Provident Fund. And after paying the above debts of Rs. 5,000/- I shall have barely Rs. 750/-. And this amount too will be required for the magriage of my daughter referred to above.

That is how I am confronted with the serious problem of keeping body and soul together, and the bringing up of my children. I do feel that my husband died so unexpectedly due to heavy pressure of work and while on duty. Would I be wrong in making a request for a decent compassionate allowance until one of my sons at least gets some job and becomes fit to help the family ? A sympathetic consideration of my prayer followed by a gracious grant, will be a sort of a model relief to a Government servant who spent his life in honestly serving the National Government. Let not my prayer fall flat is the final hope of a bereaved lady.

Yours faithfully,

Belgaum,
